Subject: Stop Masked Agents from Terrorizing Americans

Dear [Senator/Representative Name],

I am outraged by the use of unmarked, masked federal agents detaining people in broad daylight without identifying themselves. This is state-sponsored terror. These agents are targeting immigrants, protesters, and ordinary citizens with violence, secrecy, and zero accountability.

Americans are being brutalized, harassed, and even kidnapped for exercising their rights. These abuses violate our Constitution and reflect a regime, not a democracy. I demand an investigation into these agents, their orders, and their affiliations.
